Did you get some money selling your books back this semester? Do you have some extra birthday money? Still have graduation checks sitting around? Do something smart with that money. A Cornerstone savings account is the key that unlocks all your Cornerstone FCU member benefits. Just a \$5 deposit opens your account and establishes your membership.

By opening a Cornerstone savings account, you can put your extra funds in a safe place, maximize your earnings and still use the money when and where it's needed (like spring break).
