

Full Online Capabilities

When you can barely find time to check in with mom and dad, we don't expect you to find time to stop into one of our locations every time you need to access your accounts. That's why we offer a full range of online services, including OASIS online banking, Statement Express e-statements, online bill pay and updates on attractive rates and promotions. We also provide the CURTIS telephone information system for those times when you don't have access to a computer.

OASIS (Online Account Status and Information System)

It might sound like that tough technology class, but OASIS is simple. It lets you keep up on your accounts from the comfort of your dorm room or anywhere you have access to a computer. OASIS gives you a convenient way to pay bills, check account balances, transfer funds, view your account history and e-mail the Member Services Department 24 hours a day.

To obtain an enrollment form, visit the OASIS page at www.cornerstonecommunityfcu.org or call (716) 434-2290.

Statement Express

These days, you can find a computer everywhere you turn on a college campus. With Cornerstone Statement Express, every time you find a computer you can find your account statement. Statement Express is the electronic delivery of your quarterly or monthly statements, which takes the place of mailed statements. Statement Express is free, simple, fast, safe and it puts you in control.

CURTIS Telephone Information System

CURTIS, our Credit Union Remote Telephone Information System, gives you 24-hour account access. Wherever you are – any day, anytime – you can access your Cornerstone account with the touch of a button. You can have complete control of your account simply by dialing the phone – and it's free!
