This coupon only applies to eligible loans. By signing above, you acknowledge that the loan maturity date will be extended by one month and regular payments will resume after the skipped payment period. You understand that interest will continue to accrue on your outstanding principal balance during the month you skip your payment. In addition, any credit insurance that you have on your loan(s) will terminate on the maturity date outlined in your original loan agreement. You acknowledge that your monthly premiums for credit life/disability will still be added to the loan on the skipped month, if applicable. If you have Guaranteed Auto Protection (GAP insurance) on your loan, you understand that skipping a payment may affect coverage benefit. The \$25 processing fee applies to each skip request per loan. The fee can be paid via check or automatically deducted from the account you have specified above. Cornerstone CFCU must receive this coupon 5 days prior to loan payment due date and not more than two months before the requested skip month. You can only skip two payments per loan within a 12 month period with this program. Terms of this offer are subject to change without notice at Cornerstone Community Federal Credit Union's discretion. Please refer to Skip Payment Program Terms for further details, attached and incorporated herein.
